

# ANA MARIA MARGINEANU

INTERNATIONAL PMU MASTER TRAINER

# — ABOUT ME

**Ana Maria** is master trainer and international trainer, after a 14 years' experience in PMU. She specializes in: microblading, paramedical pigmentation, tattoo removal, corrections, neutralization, camouflage, fibroblast. She developed new correction techniques for old and wrong permanent make-up procedures. She is a partner in a humanitarian project called "Salvează Feminitatea" and she is also the image of Start Academy.

She is the only Romanian member of SPCP (The Society of Permanent Cosmetic Professionals), thus having access to studies and analyzes from dermo pigmentation and tattoo area, from the biggest association in the world and being aware of the national and international legislation, but also with the latest trends in the field.

She is a qualified technician and dedicated professor. Her talent and skill were completed by her specialized studies in plastic arts and medical science. This way she can give the most interesting and complete perception about this field to her students.
